

### A selection of stock feeler gage sets to fit many applications

These sets are in stock for immediate shipment, and consist of many popular styles and sizes. Extra blades can be added or removed from a set, at minimal cost, to create an application-specific gage set. If more modifications are required, Eastern Industries can manufacture and provide fully customized gage sets to meet all your required needs.

Most sets feature a "U" shaped steel holder to protect the blades when not in use. The user can "fan" out the blades for easy selection, and then return the unused gages back into the holder. The screw and locknut can be tightened to secure the blades in working position. For easy identification, each blade is permanently marked with the blade thickness.

Our steel blades are made of the finest quality high carbon steel. The stainless steel blades are made of 300 series stainless steel noted for its outstanding resistance to corrosion. Both metals provide stable accuracy and superior wear resistance.

( Products Listed Below )

#### Part No. FG-26-3

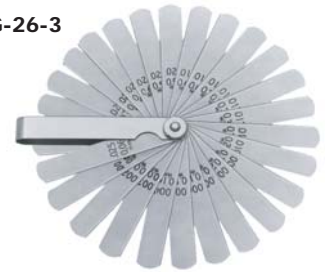

*This standard gage set is perfect for a large variety of applications.*

26 blades, 1/2" wide and 3" long.  
\$10.36

#### THICKNESS (in inches):

.0015	.007	.014	.021
.002	.008	.015	.022
.0025	.009	.016	.023
.003	.010	.017	.024
.004	.011	.018	.025
.005	.012	.019	
.006	.013	.020	

#### No. FG-26-3

#### Part No. FG-26-T-3

*The blades in this carbon steel set taper from 1/2" to 1/4" at the tip for tight applications.*

26 blades, 1/2" wide tapered to 1/4" and 3" long.  
\$21.86

#### THICKNESS (in inches):

.0015	.007	.014	.021
.002	.008	.015	.022
.0025	.009	.016	.023
.003	.010	.017	.024
.004	.011	.018	.025
.005	.012	.019	
.006	.013	.020	

#### No. FG-26-T-3

#### Part No. FG-35-3

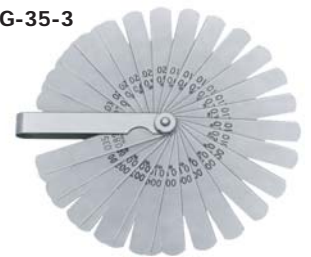

*The larger selection of carbon steel blades in this gage set cover more applications.*

35 blades, 1/2" wide and 3" long.  
\$11.21

#### THICKNESS (in inches):

.0015	.008	.015	.022	.029
.002	.009	.016	.023	.030
.003	.010	.017	.024	.031
.004	.011	.018	.025	.032
.005	.012	.019	.026	.033
.006	.013	.020	.027	.034
.007	.014	.021	.028	.035

#### No. FG-35-3

#### Part No. FG-25-12

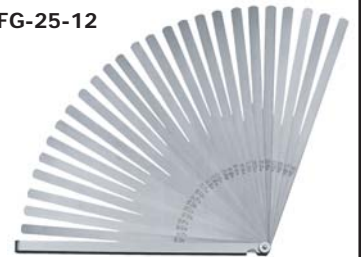

*Extra long blades in this gage set for difficult-to-reach applications.*

25 blades, 1/2" wide and 12" long.  
\$22.18

#### THICKNESS (in inches):

.0015	.008	.015	.025
.002	.009	.016	.027
.003	.010	.017	.030
.004	.011	.018	.040
.005	.012	.019	
.006	.013	.020	
.007	.014	.021

### Part No. FG-25-24

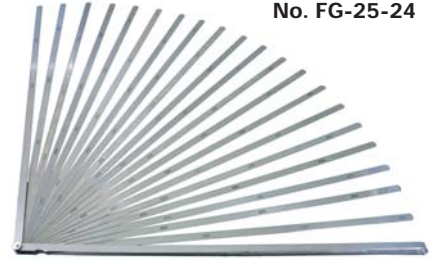

*Extra long carbon steel blades in this gage set for difficult-to-reach applications.*

25 blades, 1/2" wide and 24" long.  
\$88.50

#### THICKNESS (in inches):

.0015	.008	.015	.025
.002	.009	.016	.027
.003	.010	.017	.030
.004	.011	.018	.040
.005	.012	.019	
.006	.013	.020	
.007	.014	.021	

No. FG-25-24

### Part No. FG-20-Q-6

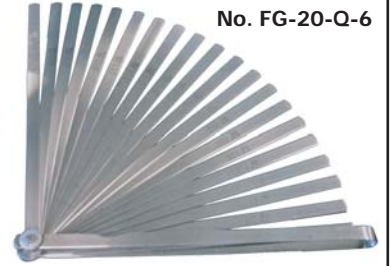

*This carbon steel gage set has 1/4" wide blades for narrow applications.*

20 blades, 1/4" wide and 6" long.  
\$46.00

#### THICKNESS (in inches):

.008	.013	.018	.025
.009	.014	.019	.026
.010	.015	.020	.030
.011	.016	.022	.032
.012	.017	.024	.035

No. FG-20-Q-6

### Part No. FG-20-Q-12

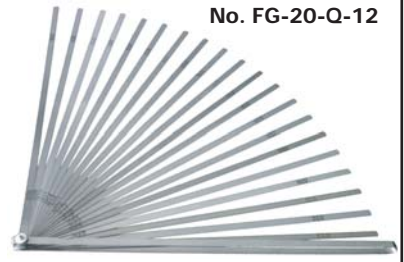

*This carbon steel gage set has longer 1/4" wide blades for narrow applications.*

20 blades, 1/4" wide and 12" long.  
\$85.35

#### THICKNESS (in inches):

.008	.013	.018	.025
.009	.014	.019	.026
.010	.015	.020	.030
.011	.016	.022	.032
.012	.017	.024	.035

No. FG-20-Q-12

### Part No. FG-25-SS-3

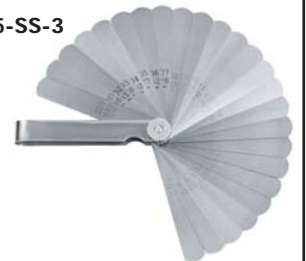

*This gage set has all stainless steel components for corrosion resistance.*

25 stainless steel blades, 1/2" wide and 3" long.  
\$23.95

#### THICKNESS (in inches):

.0015	.008	.015	.022
.002	.009	.016	.023
.003	.010	.017	.024
.004	.011	.018	.025
.005	.012	.019	
.006	.013	.020	
.007	.014	.021	

No. FG-25-SS-3

### Part No. FG-25-SS-12

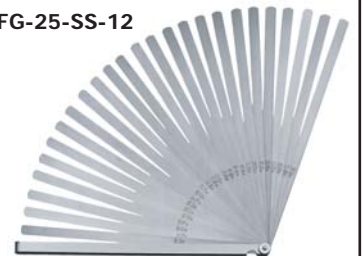

*This gage set has all stainless steel components in a longer length.*

25 stainless steel blades, 1/2" wide and 12" long.  
\$62.50

#### THICKNESS (in inches):

.0015	.008	.015	.022
.002	.009	.016	.023
.003	.010	.017	.024
.004	.011	.018	.025
.005	.012	.019	
.006	.013	.020	
.007	.014	.021	

No. FG-25-SS-12

### Part No. FG-25-SS-24

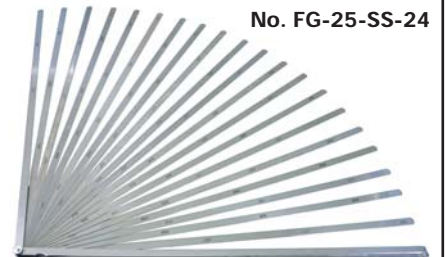

*This gage set has all stainless steel components in an extra long length.*

25 stainless steel blades, 1/2" wide and 24" long.  
\$96.15

#### THICKNESS (in inches):

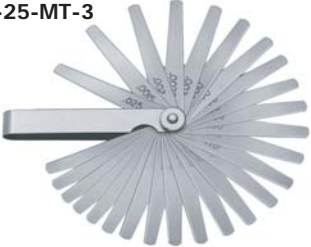

.0015	.008	.015	.022
.002	.009	.016	.023
.003	.010	.017	.024
